VOLUME 5 ISSUE 3

# HORIZONS

FALL 2008

We wanted to do something a bit different this time with the last HORIZONS' issue of 2008. You recently received our summer issue just a few months back and in that issue you saw and read how the Lord greatly blessed Mid-America Mission and Woodland Acres Bible Camp. We were able to give out \$4,700.00 in camp scholarships and because of this some of those campers came to know the Lord as their Saviour. It was the faithful support from all of you both prayerfully and financially. It is a great feeling to look at the book and see that we will be ending 2008 in the black!! This gives us a great start for 2009.

We are looking at some exciting ways to serve the Lord in 2009. In January, we will be servicing all the buildings as preventive maintenance. In February, we hope to start another phase of the Vision 40 program – laying the foundation down for the two (2) new bathrooms, storage, ADA ramp and Canteen on the Dining Hall. We will need volunteers to help us with this. In March, the Wilderness Camp is scheduled during spring break along with a separate two (2) day canoe trip down the Buffalo River. We are having another Men's Work Week in April (but we can always use help anytime) plus all of our exciting youth camps and activities throughout the spring and summer. Ladies, look for more information to come about the exciting Ladies' Retreat in October. If you are interested in helping out during the summer, we will be having a leadership training program around the first week of June.

We are in need of a full or part time Maintenance Supervisor. Larry and I have been working this position together for about four (4) years along with our ministry positions as Operations Director and Camp Director. This added work has caused us to not be able to focus 100% on our calling. It is a great relief and blessing when we see volunteers out around the camp helping out. Without these volunteers, we would not have seen buildings painted, locks changed, four (4) bathrooms added, walls painted, the pool fence stained, cabins and other buildings cleaned, leaves raked, trees trimmed, septic systems replaced or repaired, newsletters folded, filled, and sealed – the list goes on. A big THANK YOU goes out to all those who volunteered.

We are also looking for someone to be in charge of the Housekeeping position. Jo Anne has been ministering in this area since 2002. She has also been working in the MAM office as secretary and overseeing the Sunrise Club Mailbox Ministry the past several years. We feel that having her in the office full-time would be a tremendous benefit for the ministry.

We have enclosed a magnet as a thank you for taking a moment to pray for the mission, the camp and its missionaries. You will also find a Partnership Development Gift Form and an ACH Debit Authorization Form. Please consider becoming a new financial supporter or raising your support. The ACH Form is a great way to budget for you and us, as we will know exactly how much money is coming in each month. This is especially helpful for our missionaries knowing that "x" amount of dollars are guaranteed each month.

Thank you for your prayers and support. May you enjoy this Christmas season and we hope to see or hear from you during 2009.
